**Fellowship Group Discussion Questions**

1. Why do you think God has given us a chapter like Daniel 11 with so much detail concerning what were future events for Daniel and his people? How do Jesus words to His disciples in John 13-16 (Upper Room Discourse) about future persecution they would face help us answer that question?
2. Even though this passage never mentions God, what does it teach us about God? What does it teach us about fallen humanity?
3. Why does God raise up evil kingdoms? How does this help us get a biblical perspective when it happens in our own day?
4. What are the marks of the faithful believers in Daniel 11.33-35, things which should characterize our own lives as well?
5. What difference does knowing the information in this chapter make in our lives today?
